Shivanshi Industries

About Company.

Shivanshi Industries is a trusted manufacturer and supplier of A/C & refrigeration copper and brass fittings as well as industrial wooden packaging solutions. Based in Greater Noida, we combine advanced technology with skilled craftsmanship to deliver products that meet international quality standards. Our ISO-certified processes ensure precision, durability, and reliability for every component we produce—whether it's for cooling systems, heavy-duty pallets, or custom wooden crates. With a strong focus on innovation and client satisfaction, we provide end-to-end solutions tailored to the unique requirements of each customer.

Over the years, we have built long-term partnerships with manufacturers, exporters, and logistics companies across India and abroad. Our team takes pride in offering custom designs, quick turnaround times, and dependable delivery for projects of any scale. By maintaining strict quality checks and transparent communication throughout production, Shivanshi Industries ensures that every order not only meets but exceeds expectations, helping businesses reduce costs, safeguard their goods, and grow with confidence.

Wooden Packing

At Shivanshi Industries, we specialize in high-quality wooden packaging solutions designed to protect your valuable goods during storage and transportation. Our durable wooden boxes, pallets, and crates are crafted from premium materials to ensure maximum safety and strength. We provide customized wooden packing as per product size, weight, and shipping requirements. Whether you need export-quality packaging or local dispatch support, our team delivers reliable and efficient solutions.

We follow ISPM-15 standards for fumigation and heat treatment to meet international export needs. With timely delivery and precision craftsmanship, we ensure your consignments reach safely. Our packaging experts handle everything from industrial machinery to delicate goods. Choose Shivanshi Industries for trusted, cost-effective, and eco-friendly wooden packing. Contact us today to get a free quotation and expert consultation for your packaging needs.

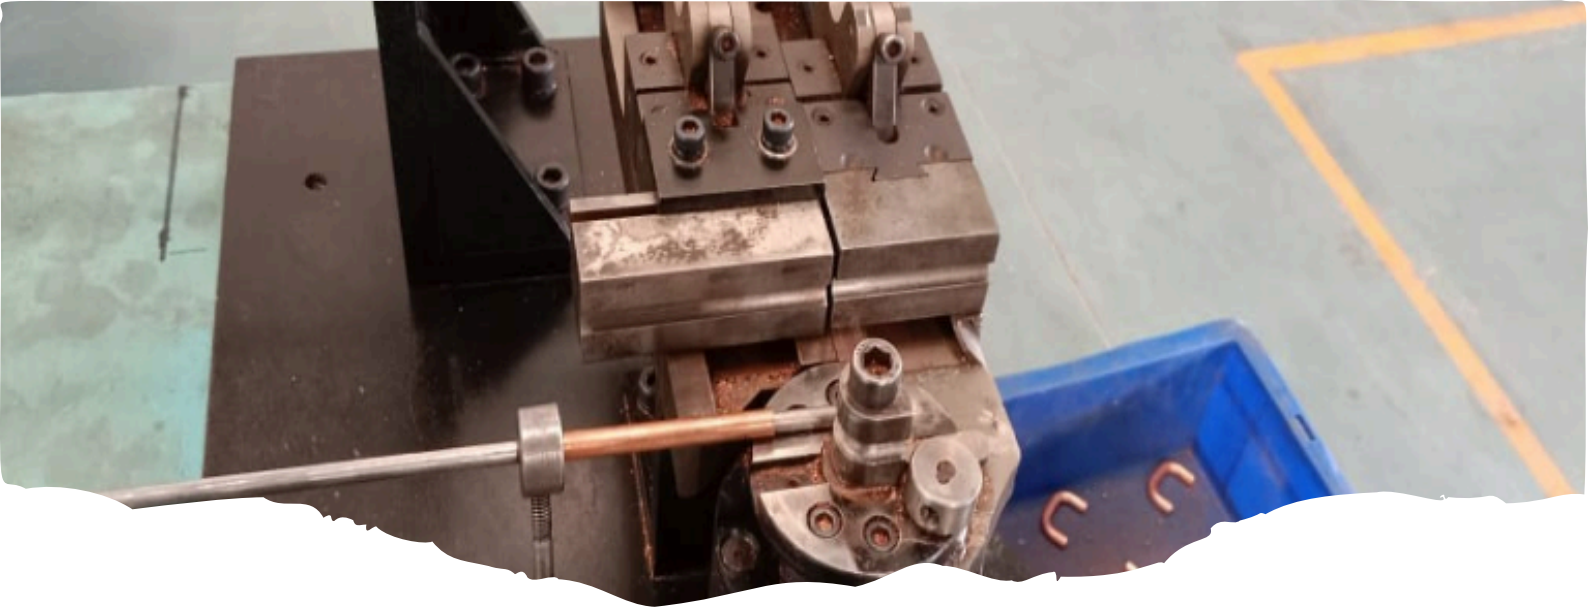

Shivanshi Industries

Contract Manpower **Solution**

Shivanshi Industries offers reliable Contract Manpower Solutions tailored to meet the dynamic workforce needs of modern businesses. We specialize in providing skilled, semi-skilled, and unskilled personnel across various industries, ensuring that our clients have the right talent at the right time. Our rigorous selection process, combined with comprehensive training programs, guarantees that every employee we deploy is professional, efficient, and aligned with the client's operational requirements.

With a focus on flexibility and efficiency, our manpower solutions help companies reduce operational costs while maintaining high productivity. From short-term projects to long-term engagements, Shivanshi Industries manages all aspects of workforce administration, including recruitment, payroll, compliance, and performance monitoring. By partnering with us, businesses can focus on growth and core operations, confident that their staffing needs are in capable hands.

Our Service

Individual

At Shivanshi Industries, we offer specialized services designed to meet the diverse needs of manufacturers, exporters, and logistics companies. Our expertise covers two key areas: A/C & refrigeration copper and brass fittings and industrial wooden packaging. Each product is engineered with precision, using premium-grade materials and ISO-certified processes to ensure strength, durability, and compliance with global standards. Whether you require custom tubular components for cooling systems or heavy-duty wooden pallets and crates for safe transport, we provide solutions tailored to your exact specifications.

Our dedicated team works closely with every client to deliver personalized service, from the initial consultation and design phase to production and on-time delivery. We maintain strict quality control at every stage, ensuring that each order exceeds expectations. By combining advanced manufacturing technology with responsive customer support, Shivanshi Industries helps businesses reduce downtime, protect valuable goods during shipping, and achieve reliable supply chain performance—making us the ideal partner for all your industrial component and packaging requirements.

Shivanshi Industries

Management

Dharmendra
Singh

At Shivanshi Industries, our management team is dedicated to driving excellence and innovation in the copper industry. We prioritize customer satisfaction, operational efficiency, and sustainable practices to ensure long-term growth.

Harendra
Singh

As we continue to grow and evolve, our focus remains on building strong relationships with our clients and partners, driving innovation, and contributing to the growth of industries worldwide.

Shivanshi Industries

The Company Values

At **Shivanshi Industries**, our values are the reason top brands choose us as their long-term manufacturing partner:

1. **Unmatched Quality** – ISO 9001:2015–certified production of AC & refrigeration components and premium wooden packaging that keeps your goods safe and your customers satisfied.
2. **Custom Solutions** – From tubular assemblies built to exact specifications to tailor-made wooden pallets and crates, we deliver what your business truly needs.
3. **On-Time, Every Time** – Fast turnaround and reliable logistics help you keep projects on schedule and reduce downtime.
4. **Trusted Expertise** – Decades of engineering experience and a skilled team ready to guide you from idea to delivery.
5. **Partnership for Growth** – We see every client as a partner and work to boost efficiency, lower costs, and grow together.
