About Us :

Wooden pallets are available in the marketplace very easily but the quality we serve as a quality conscious manufacturer is not same as our wooden pallets are made using the finest quality wood. Our collection of pallets containing Wooden Pallet Box, Packaging Pallet Box, Industrial Wooden Ply Pallet Box, Wooden Crate Packaging Pallet Box, Two Way Wooden Pallet, and a variety of others, is checked on structure, design, and other grounds.

Perfection in pallets can be seen in the fact that our range serves for a longer duration of time. For shipping of pallets in small to big dimensions, we use the best available mode in consultation with logistics companies and make deliveries of products to customers within the specified timeline.

Wooden Pallets are an important part of packaging products, especially while shipping heavy products and products in a large quantity. There's no replacement for pallets made in wood because strong wood serves as the best material for bearing heavy weight. Making available for various industries light to heavy weight wooden pallets is Shivanshi Industries.

Where Do We Serve?

We are engaged in packaging industry from a year now, but our fast and quality operations do not hint the same, in fact these hint of our long-standing. In a span of year, we have made our presence felt with the help of quality packaging and storing pallets. Our quality made pallets, available in numerous designs and dimensions, are served to all types of companies, be it small, medium or large. Food, agriculture, handicrafts, transportation are a few industries where our gamut of pallets and boxes find great use.

Why Choose Our Pallets?

We at Shivanshi Industries know how important it is to safely store, pack and transport vegetables, fruits, fragile and various other products. So, we make available a collection of quality assured Ply Pallet Boxes, Wooden Pallet Box, Packaging Pallet Box and other products. Factors that suggest why choosing our collection is beneficial are given below:

- **Cheap:**

We make pallets and boxes available for our customers at low rates as compared to other companies to suit budget needs of Customers.

- **Durable:**

Our large assortment is low priced but no cheating related to quality is done because we work on ethical grounds. We use strong wood or making durable products.

- **Can be recycled:**

Our offerings, made in wood, can be recycled and recreated in various forms of products.
